Introduction

We are University Of Liverpool Hackathon Society (or HackSoc). A Hackathon is an event where many team build cool things... Our Vision is to bring talented students to Liverpool. We want Liverpool to be recognised as a great Tech spot. Similar to other city such as Manchester, Nottingham, Surrey and other major city.

Major League Hacking (MLH)

We are going to host MLH hackthon in Liverpool. It is the biggest and most well known student hackathon in the world. This event will attract over a hundred student who are developer, designer, entrepreneur from across the UK and possibly other countries. You can find out more about MLH on <https://mlh.io/about>.

Why Should You Sponsor Us?

- **Attract talented and driven students:** You will attract passionate students who can work as part of a team and under pressure to bring our the best they can offer.
- **You can advertise your latest tech:** If you have a new API, this is the best way to challenge these students and let their imagination bring out the possibility of your latest tech.
- **Send your technical staff:** You can send your developers to find suitable students to work for you. This is a great opportunity to hire students, as you can see them in action, rather than looking up them up on a CV.

Get in Touch

If you are interested or would like to discuss additional details]. You can contact us via email: LivHackSoc@email.com. Additionally, you can contact our Committee Hackathon Organiser Brandon Skerit on [+44 1234 567891](tel:+441234567891)

Sponsorship Tiers

What you can offer and what will you can gain from sponsoring us.
