0.1   Society Name - HackSoc

1.1 The name of the society shall be the University of Liverpool Hackathon Society, which can be abbreveated to HackSoc. Hence, we shall use the abbreveated term it in all correspondence (e.g room booking). On the subject of "Hacking" please see the definition below.

0.2   Aims and Objective

1.1 The aims and objective of the society are:

- To allow students from all background (e.g. non-STEM course) to collaborate and work on technological project together in a suitable environment.

- To allow students to host and to attend student Hackathon across the United Kingdom.

- To provide opportunities to expand student skills and experience through "hacking" workshop. With the help of professionals from the industry and experienced students; we can host programming tutorial, VR session, entrepreneur talks and more events.

- To aid other organization (e.g. homeless society, BeeKeeping society or other small company), by developing tech solution for them as a non-profit. This will be beneficial to our student, since they can work on a real world project and benefit the organization since we will solve their problems.
